**Re:    *R.R.M.C. v. DHS, et al.*, 23-cv-7946 (JGLC)  
Letter motion for Fed. R. Civ. P. 5.2(c) limitations on remote access to  
electronic files**

Dear Judge Clarke,

This office represents the Plaintiff R.R.M.C. in the above-referenced matter. We write to respectfully request that this case be restricted from remote electronic public access pursuant to Fed. R. Civ. P. 5.2(c). Defendants' counsel does not oppose this motion.

Under Rule 5.2(c), only parties may have remote electronic access to files and records for cases that involve certain immigration matters which relate to, *inter alia*, an order of removal, relief from removal, and immigration detention. Because this case involves a claim that the Plaintiff was unlawfully removed without an administratively final removal order, limitation on remote electronic access under Rule 5.2(c) is appropriate. Furthermore, this case may implicate issues related to Plaintiff's detention and relief from removal, therefore providing additional bases to apply the limitations under Rule 5.2(c).

We thank the Court for its attention to this matter.
